

Rivers of Ireland

Use your atlas to find out which province the following rivers flow through. Remember, some rivers flow through more than one province.

Write the rivers in the table below.

River Shannon	River Moy	River Lee
River Barrow	River Bandon	River Corrib
River Liffey	River Suir	River Finn
River Bann	River Foyle	River Erne
River Nore	River Slaney	River Boyne
River Clare		

Leinster	Connacht	Munster	Ulster

Challenge activities:

- Can you find the length of these rivers and add them to the table?
- Can you use facts on the Internet to order the rivers by length or by flow rate?
- Can you find out which kinds of fish live in each river and order the rivers into a suitable diagram?
