#### Girls and Boys Football

Well done to the boys and girls in 5th and 6th class who represented the school in our local football leagues. Both teams were involved in some very entertaining games. We are very proud of the commitment and sportsmanship shown by both teams. Thanks to all parents for the lifts and support at these matches.

Mini Leagues Our annual GAA mini leagues are in full flow at the moment with boys and girls from 3rd - 5th competing while our 6th class children are mentoring and refereeing these games. It's great to see children who have never played Gaelic games before really enjoying the experience. We look forward to seeing these children go on to represent the school in the coming years.

Children have really enjoyed the gymnastics strand in PE over the last few weeks, the purchase of new equipment has really added to the experience. Thanks also to Mark from 'Sport in Schools' for coming in to work with children from 2nd -5th.

Children from 2nd - 5th will be heading over to Clondalkin Leisure Centre throughout the month of June to work on the Aquatics strand in PE while the whole school will be completing lessons in Water Safety at home and in our environment.
